

JUNE 10-13, 2015

FRENCH LICK SPRINGS RESORT

IDA Annual Session and IUSD Alumni Dental Conference

INDIANA UNIVERSITY
ALUMNI ASSOCIATION

Visit www.INDental.org/Register or see inside back cover for registration form

Steven J. Holm, DDS
IDA President

ATTEND OUR MEETING!

We're back and we would like to invite you back, too! This year, the IDA is holding its annual meeting at the beautiful French Lick Resort. We have great educational courses, top notch vendors, lots of fun events, and all the amenities French Lick has to offer. So bring your staff, bring your family, bring yourself, and plan to join us at this year's IDA Annual Session.

To kick it off, I thought I'd offer a David Letterman top ten list of why you should celebrate with us at French Lick.

10. You will find out whose legs are the brightest shade of winter white.
9. There isn't much shopping, so your spouse won't spend all your money.
8. There is gambling, so you probably will lose your money anyway.
7. If you get a massage at the spa, they don't charge you by the inch.
6. The food lines will remind you of your high school cafeteria.
5. There is a lot of great CE, which also helps keep you out of the casino (see #8).
4. The Pluto Water smells the same as the surprise your dog left on the floor before you left home.
3. If you golf, you will pose no threat to the course record unless the record is the highest round ever shot.
2. The booze in the Presidential Suite is free. And number one...
1. It is NOT in Indianapolis again.

Join us...it will be fun!!!

DR. HOLM'S HOSPITALITY SUITE HOURS

Wednesday, June 10, 2015
7:30-10:30 p.m.

Thursday, June 11, 2015
2:00-4:00 p.m.

Friday, June 12, 2015
9:30-11:00 p.m.

HOTEL RESERVATION INFORMATION

You have two hotel options this year! Reserve a room at the host hotel, **French Lick Springs Hotel**, for **\$139** for single/double accommodations. Reservations also will be taken at the **West Baden Springs Hotel** for **\$189** for single/double accommodations. Guests at West Baden Springs should allow extra time to take the free shuttle back and forth. To reserve rooms at either hotel, call **888/936-9360** or visit **www.frenchlick.com**. Make reservations by **May 20, 2015** to receive this discounted rate. Group code: **0615IDA**

Room availability at both facilities changes daily. If both hotels are sold out, please visit **www.INDental.org/Register** for a listing of area alternatives.

FRENCH LICK SPRINGS HOTEL (host hotel)
8670 West State Road 56
French Lick, IN 47432

WEST BADEN SPRINGS HOTEL
8538 West Baden Avenue
West Baden Springs, IN 47469

For driving directions, please visit **www.frenchlick.com** or your trusted online resource. Several major airlines fly into Louisville International Airport. You also may fly a charter or private plane directly to the French Lick Municipal Airport. Transportation options from the airport include limousine, taxi, bus, or rental car.

DRESS CODE AND CLIMATE

WE WANT YOU TO BE COMFORTABLE SO YOU CAN ENJOY YOUR MEETING EXPERIENCE! Recommended attire for the Annual Session is **business casual**, which may include slacks, knit shirt with a collar, and optional sports jackets for men; slacks and skirts or dresses for women. Neckties, business suits, and other business attire are acceptable, but not necessary. Comfortable shoes are a must. French Lick enjoys a moderate climate. Historically, June weather has been mostly sunny, with temperatures in the low to mid-80s and relative humidity. Please bring layers to keep up with changing weather conditions and enjoy air-conditioned indoor activities.

CE ROOM HOSTS NEEDED

Interested in serving as a room host for one of our 2015 Annual Session speakers?

Contact **HEATHER PARTON** at **800.562.5646** or e-mail **Heather@INDental.org** to submit your request.

.....

THE MIDWEST'S PREMIER RESORT DESTINATION

French Lick Resort, named America's Best Historic Resort by Historic Hotels of America, features two historic grand hotels nestled in the Hoosier National Forest of southern Indiana. This premier resort and casino destination, offers two luxury hotels, a conference center, casino, three golf courses, 15 dining venues, and multiple recreation options on 3,000 acres of history and natural beauty.

The French Lick Springs Hotel and West Baden Springs Hotel provide luxurious AAA Four-Diamond accommodations for guests seeking relaxation, romance, family time, or excitement. This upscale destination features championship golf courses, world-class spas, Vegas-style gaming, horseback riding, and activities for kids. Complimentary self and valet parking at the resort.

The **French Lick Springs Hotel** offers 443 luxurious rooms and suites, two deluxe pools, state-of-the-art spa and fitness center, conference center, nine dining options from elegant

cuisine to casual fare, bowling alley, game arcade, indoor walkway to the casino, use of West Baden Springs Hotel amenities, and continuous shuttle service to other resort activities. This is the host hotel to the Indiana Dental Association.

The **West Baden Springs Hotel** is an architectural marvel, with 243 luxurious rooms and suites, a natatorium with two pools, state-of-the-art spa and fitness center, six dining options from

elegant cuisine to casual fare, use of French Lick Springs Hotel amenities, and continuous shuttle service to the casino and other resort activities.

DISCOVER WHAT AWAITS YOU

Take advantage of these resort activities and complimentary, continuous shuttle service. Contact the hotel concierge at **888.936.9360** to make reservations or find out more.

Spa—Lose yourself in the serenity of a world-class spa with 24 rooms and a diverse menu of treatments, or take advantage of a full line

of salon services. **Meeting attendees get 10% off a single service spa treatment.**

Casino—All the Vegas-style gaming occurs on the one floor with 1,300 slot machines, table games, and a high-limit VIP gaming area. The Casino is connected to the French Lick Springs Hotel and Conference Center via an enclosed,

climate-controlled walkway. An entertainment lounge features a permanent stage for music and other performances. Must be 21 or older to enter the casino.

The Stables—Surrounded by the Hoosier National Forest, The Stables at French Lick Resort take full advantage of the lush, natural

setting and offer trail rides, pony rides for the kids, and carriage rides for the entire family. **Meeting attendees get 10% off horseback rides.**

Pete Dye Course—Situating atop one of southern Indiana's highest points, the 18-hole

Pete Dye Course may be considered Dye's best inland site.

Donald Ross Course—Host course of the IUSD Huckleberry Golf Outing on Saturday, June 13, 2015, starting at 9:30 a.m. The 18-hole Donald Ross Course allows golfers to go back in time and experience the game the

way it was intended to be. This championship course has hosted many local, regional, and national tournaments. Golfers from novices to experienced will be challenged.

Valley Links Golf—This par-36 course maintains the wonderfully parkland Tom Bendelow

design, which features rolling fairways and Scottish-style fescue grasses.

Hiking and Biking—Rent a variety of bicycles, including single, mountain, tandem, tricycles,

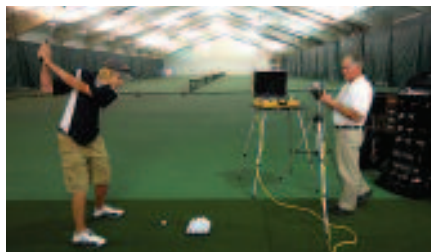

runner's strollers, or surrey carts, or take the family on a self-guided tour to 17 different site attractions and trails.

Bowling and Arcades—For competitive indoor entertainment the entire family can

enjoy, Pluto's Alley has it all, with a six-lane bowling alley, arcade, video games, and pool tables.

Valley Links Learning Center—This is the perfect place to fine-tune your game before or after the round. With indoor/outdoor putting greens, a 10-station indoor driving range and

outdoor short game practice green, basketball courts, five indoor tennis courts and an outdoor driving range, the Valley Links Learning Center is the perfect place to practice, practice, practice.

Swimming—They say if you don't like Indiana weather, wait five minutes and it will change. With indoor and outdoor pools located at both

hotels, not even temperamental weather will keep you from enjoying a swim. Fluffy, absorbent towels provided.

KidsFest—Whether it's kickball, Wii games, crafts or cooking, KidsFest is a hangout specifically for kids 6-12 years of age. All activities are supervised by trained counselors and

have been developed to ensure kids have a full experience of fun and creativity. Each activity originates at the KidsFest Lodge, located in front of the French Lick Springs Hotel. The Kids+Pass perks pass is available.

AREA ATTRACTIONS

Big Splash Adventure Indoor Water Park and Resort—Enclosed in a beautiful glass structure, this is one of the few retractable roof water parks in the world! Tackle the 40-foot Slide Tower, float down the Lost River, or spend the day at Buccaneer Bay. Suitable for kids of all ages; located one mile north of the French Lick Springs Hotel. Call **877.936.3866** or visit www.bigsplashadventure.com.

French Lick Winery and Coffee Company—Established in 1995, the French Lick Winery has become one of Indiana's premier wineries. It's located in the former Kimball Piano Factory in West Baden Springs, on the south side of State Highway 56. Call **888.494.6380** or visit www.frenchlickwinery.com.

French Lick/West Baden Indoor Karting—Enjoy the ultimate racing experience in a year-round 65,000 square foot facility with a challenging quarter mile road course, full arcade, and a large observation area. Certain clothing restrictions apply. Call **812.936.5390** or visit www.flwbindoorkarting.com.

Shotz Miniature Golf & Lazer Tag—As French Lick's newest attraction, this family activity has fun for everyone with a 9-hole indoor miniature cosmic golf course, lazer frenzy, and an 18-hole outdoor mini golf course. Call **812.936.2386** or visit www.frenchlickshotz.com.

Indiana Railroad Museum—Founded in 1961, the museum collection has grown to more than 65 pieces of rolling stock and locomotives. Board the train on the grounds of the French Lick Springs Hotel. Call **800.748.7246** or visit www.indianarailwaymuseum.org.

Patoka Lake—Enjoy water sports, fishing, and much more. Facilities include a 455-site campground, nine boat-launching ramps, hiking trails, 17 miles of paved bike trails, an exercise trail, disc golf course, archery range, and a swimming beach. Perfect for summertime fun! Located 10 miles from the French Lick Resort. Call **812.685.2464** or visit www.patokalakeindiana.com.

Marengo Cave—Take a 40- or 60-minute walking tour in a cave that began forming approximately one million years ago. As Indiana's number one natural attraction, Marengo Cave offers family fun for all ages. Gear is provided and individual/group rates are available. Call **888.702.2837** or visit www.marengocave.com.

Cave Country Canoes—Enjoy canoe and kayak trips on the unspoiled Blue River, the first Indiana stream included in the state's designated Scenic Rivers system. Call **888.702.2837** or visit www.cavecountrycanoes.com.

For a complete listing of other area attractions and activities, please visit www.exploresouthernindiana.com.

AWARDS CEREMONY

THURSDAY, JUNE 11, 2015 6:00-7:00 P.M.

Register today using code 402

Join us for the annual Awards Ceremony as we honor our 25-Year, Life, and 50-Year members. We will honor local and national dentists, especially individuals who have shown exceptional service to the profession of dentistry and dental public health care on behalf of the IDA.

MEMBERSHIP CELEBRATION AND VENDOR APPRECIATION

THURSDAY, JUNE 11, 2015 7:30-11:00 p.m.

Register today using code 403

Co-sponsored by IDA Insurance Services

Attend the Indiana Dental Association's largest networking event, the IDA Membership and Vendor Appreciation Celebration! Recognize the loyalty and hard work of the entire dental team and our vendors. Honor Dr. Steven Holm's achievements as this year's IDA president. ALL dentists, spouse, families, meeting attendees, and vendors are invited to enjoy a buffet-style dinner with a cash bar. **Limited seating available.** This special gathering will be held outdoors in the beautiful French Lick Gardens, with live entertainment provided by the band Zanna-doo.

Reference Committee Hearings will begin immediately following adjournment of the House

Reference Committee Reports Available

FRIDAY, JUNE 12, 2015 8:00-9:30 a.m.

Component Caucus Meetings

FRIDAY, JUNE 12, 2015 9:30-11:30 a.m.

Open Caucus

FRIDAY, JUNE 12, 2015 1:00-3:00 p.m.

House of Delegates, Second Session

SATURDAY, JUNE 13, 2015 8:00 a.m.-ADJOURNMENT

NEW DENTIST RECEPTION

(BY INVITATION ONLY)

FRIDAY, JUNE 12, 2015 4:00-6:00 p.m.

Spring No. 8

Register today using code 408

Co-sponsored by Bowman Insurance & Benefit Services

The IDA Council on the New Dentist's annual reception for dentists 0-10 years out of dental school and their families offers networking opportunities, splendid food, and spirits. Held pool-side at Spring No. 8, the event promises the celebration of memories old and new.

IDPAC SILENT AUCTION and RECEPTION

Silent Auction Bidding:

THURSDAY, JUNE 11, 2015 2:00-6:00 p.m.

FRIDAY, JUNE 12, 2015 8:00 a.m.-6:15 p.m.*

*Bidding ends promptly at 6:15 p.m. on Friday, June 12, 2015.

IDPAC Social & Reception:

FRIDAY, JUNE 12, 2015 5:00-6:30 p.m.

Cost: \$75 per individual (code 409)

\$100 per couple (code 410)

Free for paid 2015 Governor's Club (\$600) and

Platinum Club (\$1,200) Donors (code 411)

Pre-registration is required!

After a hard-fought campaign and legislative season, we invite you to celebrate the work of IDPAC and ADPAC by attending the IDPAC Social and Reception. We have seen the reelection of Denny Zent to the Indiana House of Representatives. ADPAC successfully worked toward the election of three dentists to the U.S. House of Representatives. In this election cycle, IDPAC supported 93% of the winners in the Fall 2014 election.

All IDA members and spouses are welcome to attend the reception, from the politically engaged to those not necessarily interested in politics. Craft beer and wine pairings will be served.

Bidding for silent auction items begins on Thursday, June 11, 2015, at 2:00 p.m. outside the registration area. Final bids must be submitted Friday, June 12, 2015, by 6:15 p.m. during the IDPAC Social & Reception. *Bidding ends promptly at 6:15 p.m. on Friday, June 12, 2015.

IDPAC is now accepting donations for the Silent Auction. Contact Laurie Campbell for additional information at Laurie@INDental.org.

IDPAC is the IDA's advocate in matters that affect the dental profession. Each year, Indiana's legislature considers issues with a direct impact on dentistry and dental practices. The IDPAC Reception and Silent Auction are IDPAC's primary fundraising events.

AN EVENING WITH TIM CAVANAGH: COMEDIAN EXTRAORDINAIRE

FRIDAY, JUNE 12, 2014 8:00-9:00 p.m.

Cost: \$25 VIP seating (code 412)

\$10 General seating (code 413)

Free to kids 12 and under (no VIP seating; code 414)

With 20 years' experience, comedian Tim Cavanagh does a truly unique comedy show of original family-friendly material. He interacts with an audience in a way that is always playful and friendly, Tim's national credits include appearances on ABC-TV, Comedy Central, Showtime, and WGN America. He can be heard regularly on the nationally syndicated "Bob & Tom" radio show, where he has been a featured contributor for more than a decade. His funny songs have been showcased on Sirius XM radio, the "Dr. Demento" radio show, and BBC Radio 4. He's even been heard on Continental Airlines—at no additional fee (we're pretty sure). Tim's mission is simple: finding what's funny in our business. If you want guaranteed fun for your entire family, join your fellow IDA members after dinner and welcome Tim Cavanagh to our meeting.

Ticket purchases available to registered meeting attendees only.

NEW! MULTIPLE YOGA SESSIONS

HATHA YOGA

THURSDAY, JUNE 11, 2015 6:00-7:00 a.m.

Cost: \$5

Register today using code 406

A more traditional style of yoga with holding of poses. All levels welcome.

CE EXPRESS: CHAIR YOGA

THURSDAY, JUNE 11, 2015 2:00-3:00 p.m.

Register today using course code 110

This course is valid for 1 CE credit hour

Chair or Gentle Yoga is a way to learn some basic poses and modifications, and how to incorporate yoga into an office setting.

VINYASA YOGA

FRIDAY, JUNE 12, 2015 6:00-7:00 A.M.

Cost: \$5

Register today using code 407

This class links breath with flowing movement. All levels welcome.

Your teacher: Claire Williams

A Registered Teacher of Hatha and Vinyasa Yoga, Mrs. Williams also is office manager and wife of dentist Robert Williams.

AIDA BRUNCH and ANNUAL MEMBERSHIP MEETING

THURSDAY, JUNE 11, 2015 9:30-11:00 a.m.

Cost: \$25

Register today using code 404

Join the Alliance of the Indiana Dental Association for a special gathering at the beautiful West Baden Springs Hotel. A full listing of the AIDA's Annual Session events will be included in the on-site brochure.

AIDA WEST BADEN HISTORICAL TOUR

THURSDAY, JUNE 11, 2015 12:30-1:30 p.m.

Cost: \$15

Register today using code 405

Take a guided historical tour of the West Baden Springs Hotel and its storied past. Proceeds benefit Indiana Landmarks, an organization dedicated to preserving architecturally unique, historically significant, and cherished locations throughout Indiana.

Dear Alumni,

I want to extend an invitation to all IUSD Alumni to join classmates and colleagues in attending the IDA/IUSD Alumni conference. For the third year, our alumni conference and class reunions will be held in conjunction with the Indiana Dental Association's Annual Session. This is a great opportunity to renew friendships, sharpen your knowledge and skills with great continuing education options, and enjoy the many activities available during the conference. Please plan to bring your family and staff to the combined meeting in French Lick, June 12-13, 2015. We look forward to seeing you!

Best regards,

Michael D. Bennett, DDS
 President, School of Dentistry Alumni Association

SCHEDULE OF EVENTS

All events will take place at the French Lick Springs Hotel unless otherwise indicated.

You have two hotel options this year! You may reserve a room at the host facility, French Lick Springs Hotel, for \$139 for single/double accommodations. Reservations also will be taken at the West Baden Springs Hotel for \$189 for single/double accommodations. Guests at the West Baden Springs Hotel should allow extra time to take the free shuttle back and forth. To reserve rooms at either hotel, call **888/936-9360** or visit www.frenchlick.com. Reservations must be made by **Friday, May 20, 2015**, to receive this discounted rate. Group code: **0615IDA**

Room availability at both facilities changes daily. If both hotels are sold out, please visit www.INDental.org/Register for a listing of area alternatives.

TIME TO SAVE MONEY AND HAVE FUN!

Show appreciation to our more than 60 dedicated vendors and exhibitors by scheduling time in the Exhibit Hall. Our vendors provide your dental teams with the best services and products, but special offers are available only during our show. Our meeting would not be possible without their support and participation. During your visit, thank them for their continued allegiance to organized dentistry.

Buyer's Reception! If the Exhibit Hall is too crowded for you to make purchases during the meeting, then this event is just for you. On Thursday evening, the IDA is offering each dentist and a guest special passes to attend the Buyer's Reception. **Use event code 401 to secure your passes. Limited availability.**

Say Cheese! Bring the entire team and get your fun group photo taken inside our photo booth, located in the back of the Exhibit Hall. Get a FREE professional head shot photo taken as well.

Win Cash! For every \$100 you spend with a vendor, earn one entry into the Money Grab booth. Pick up a bag from one of the IDA's more than 60 exhibitors and start shopping.

SCHEDULE OF EVENTS

THURSDAY, JUNE 11, 2015

2:00-6:00 p.m.	Exhibit Hall open
2:00-6:00 p.m.	Money Grab Booth & Photo Booth
4:00-6:00 p.m.	Buyer's Reception (event code 401)

FRIDAY, JUNE 12, 2015

8:00 a.m.-4:00 p.m.	Exhibit Hall Open
8:00-9:00 a.m.	Caffeine Connection
8:00 a.m.-4:00 p.m.	Money Grab Booth & Photo Booth
2:00-4:00 p.m.*	Exhibit Hall Reception

*All CE courses end by 3:00 p.m. on Friday, so this is your last chance to make a purchase in the Exhibit Hall!

THE INDIANA DENTAL ASSOCIATION IS AN ADA CERP RECOGNIZED PROVIDER

ADA CERP® | Continuing Education Recognition Program

ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry.

The Indiana Dental Association designates each course for a specific number of continuing education credits. Refer to individual course listings for credit amounts.

THE CHRISTENSEN BOTTOM LINE, PART ONE

Gordon Christensen, DDS, MSD, PhD

8:00-10:30 a.m.

2.5 credit hours

Course number: 100

Recommended for the entire dental team

This fast moving “bottom-line” course includes the areas of dentistry with the most activity and change. It is easily understood and has numerous summaries that interpret ongoing advancements in the profession. This enjoyable, humorous course encourages audience participation.

Lecture Objectives:

- Discuss the most important and useful new techniques, materials, and concepts
- Implement those aspects of the course most applicable to your practice

CE EXPRESS: TECHNICAL TIPS FROM THE FRONT DESK TO THE UTILITY ROOM

Patterson Dental Supply

8:00-9:00 a.m.

1 credit hour

Course number: 101 **Co-sponsored by Patterson Dental Supply**

Recommended for the entire dental team

This course provides practical guidance in the care and maintenance of dental equipment and computer hardware. Learn steps to extend equipment life, reduce down time, and enhance patient care.

Lecture Objectives:

- Surface disinfectants and waterline maintenance
- Utility room equipment
- Computer hardware care and software maintenance

YOUR FANTASTIC DENTAL TEAM

Rhonda Savage, DDS

8:30-10:30 a.m.

2 credit hours

Course number: 102

Recommended for the entire dental team

This lively session outlines common threads among dental practices with the finest care, happy, productive work environments—and most of all, a healthy bottom line!

T-Time to train and teach

E-Expectations; clearly define them

A-Accountability; let the systems work for you

M-Motivation; morale goes up, the practice goes up

Lecture Objectives:

- Key elements of effective communications
- Patient education and verbal skills
- Increase case acceptance; decrease broken appointments
- Attract and retain a great dental team

CE EXPRESS: DREAM SMILE SCIENCE

P&G Professional Oral Health Division—Crest Oral B

9:30-10:30 a.m.

1 credit hour

Course number: 103

Co-sponsored by P&G

Recommended for the entire dental team

Oral-cavity health connects directly to patients’ smiles. Learn how recent studies measure, quantify, and capture a smile’s true power, and how patients can maintain confident smiles at home.

Lecture Objectives:

- How smiles are classified, measured, and quantified
- Impact of a healthy smile
- Knowledge of products that will help patients achieve healthier outcomes

IN DEFENSE OF DENTISTRY

Mark Hakim, MA, MBA, CPHRM

10:00 a.m.-Noon

2 credit hours

Course number: 104

Cosponsored by ProAssurance

Recommended for dentists, office managers, spouses, students, new dentists

This course examines current professional liability claims, focusing on allegations, treatments, and adverse outcomes. It discusses risk management and reviews pertinent dental case studies. **Participating in this seminar may qualify ProAssurance insureds for a premium credit.**

Lecture Objectives:

- Assess potential liability risks
- Evaluate options for conflict resolution
- Manage identified exposures

CE EXPRESS: PREPARING FOR YOUR PRACTICE TRANSITION

Thad Miller

11:00 a.m.-Noon

1 credit hour

Course number: 105

Co-sponsored by DDSMatch.com

Recommended for dentists, office managers, accountants, front office, students, new dentists

Learn about dentists’ numerous transition options, including steps they should (and shouldn’t) take to assure a profitable transition for them, their staff, patients, and practice legacy. Review the current marketplace, corporate dentistry’s impact, student debt, and what young dentists and buyers want, along with walk-away and role-reversal transitions.

THURSDAY, JUNE 11, 2015

Lecture Objectives:

- Understand the need for planned and emergency exit strategies
- Role of financial planning in the transition process
- Importance of confidentiality in a dental transition
- Current dental demographics and their impact on dental transitions

This speaker has a significant interest in products or services discussed in this presentation.

THE CHRISTENSEN BOTTOM LINE, PART TWO

Gordon Christensen, DDS, MSD, PhD

Noon-2:00 p.m.

2 credit hours

Course number: 106

Recommended for entire dental team

A continuation of the morning session, this fast-moving course covers the most active, changing areas of dentistry, with numerous summaries that help you interpret ongoing advancements in the profession.

Lecture Objectives:

- Discuss the most important and useful new techniques, materials, and concepts
- Implement those aspects of the course most applicable to your practice

THE SAVAGE FRONT DESK: AN ENTIRE TEAM APPROACH

Rhonda Savage, DDS

12:30-2:30 p.m.

2 credit hours

Course number: 107

Recommended for the entire dental team

Thriving dental practices show limited stress. Others struggle to manage budgets, overhead, and overall systems. Learn the ins and outs of implementing a foolproof “Savage” front desk with systems that are key to top-tier practices’ success, and where to grow and streamline the business.

Lecture Objectives:

- The patient’s experience
- Increasing case acceptance with great verbal skills
- Hygiene department effectiveness
- Patient reactivation
- Collections and clearly defined financial policies

CE EXPRESS: ALL-ON-4 MYTHS AND TECHNIQUES

Chris Morris

12:30-1:30 p.m.

1 credit hour

Course number: 108

Recommended for dentists, students, new dentists

From treatment planning to definitive restoration, this step-by-step lecture reviews the “All-on-4” protocol for restoring the edentulous upper or lower arch. It also discusses current misconceptions about the protocol, and validates the use of “tilted” implants to reduce cantilevers.

Lecture Objectives:

- Understand this protocol for fixed/detachable restoration of the edentulous arch
- Step-by-step guide for treatment planning and restoring this restoration
- Dispel misconceptions and discuss the protocol’s use and benefits

SOCKET AUGMENTATION AND BONE GRAFTING

Monish Bhola, DDS, MSD

1:00-4:00 p.m.

3 credit hours

Course number: 109

Co-sponsored by Zimmer Dental

Recommended for dentists

Learn about basic surgical procedures, including atraumatic tooth extraction, socket and site augmentation, and guided bone regeneration. It discusses managing various types of sockets, when to graft and which bone graft material to use, and how to manage infection. Learn to manage patients on oral bisphosphonates and guidelines for clinical practice.

Lecture Objectives:

- Classification and management of socket anatomies
- Grafting materials
- Socket augmentation techniques
- Managing identified exposures

This speaker has a significant interest in products or services discussed in this presentation.

CE EXPRESS: CHAIR YOGA

Claire Williams

2:00-3:00 p.m.

1 credit hour

Course number: 110

Recommended for the entire dental team

Learn basic and modified yoga poses in a mostly seated position that incorporates traditional-session breathing and mind-body benefits. Perfect for dental team members who practice in confined spaces. Feel good and melt away tension in a short time.

Lecture Objectives:

- Quick yoga routines
- Increase positivity and productivity
- Reduce tension and stress in the practice

INDIANA HIP 2.0 AND MEDICAID

Access to Quality Dental Care Task Force

2:00-4:00 p.m.

2 credit hours

Course number: 111

Recommended for dentists, office managers, front office, billing staff, accountants

Covers the status of traditional Dental Medicaid programs, HIP 2.0, HIP 2.0 plus, and Hoosier Care Connect, plus compliance and administrative issues for dentists participating in Indiana Health Coverage Programs.

Lecture Objectives:

- Knowledge of Indiana’s Health Coverage Program delivery system
- Resources to help navigate Indiana’s Health Coverage Program delivery system
- How to register for Indiana Health Coverage programs

Register now at www.INDental.org/register

FRIDAY, JUNE 12, 2015

DRUGS, DEATH AND DENTISTRY: A LOOK AT DENTAL DISASTERS

Stanley Malamed, DDS

8:00-10:00 a.m.

2 credit hours

Course number: 200

Recommended for dentists

The incidence of serious morbidity or of death within the confines of the dental office is happily, quite low. However, on occasion, such problems do occur. Oftentimes these problems are associated with the administration of drugs associated with dental treatment. In this presentation, Dr. Malamed will review actual cases, illustrating what went wrong, and what could have been done either to prevent the incident from occurring in the first place or, failing that, what should have been done to produce a better outcome.

Lecture Objectives:

- Signs, symptoms and management of local anesthetic overdose
- Signs, symptoms and management of anaphylaxis
- Management of idiosyncratic drug reactions

DIGITAL DENTAL PHOTOGRAPHY: THE MOST IMPORTANT TOOL FOR CASE ACCEPTANCE

Steve Ratcliff, DDS, MS

8:00-11:00 a.m.

3 credit hours

Course number: 201

Recommended for the entire dental team

This lecture serves as an introduction to the digital world of photography and how to incorporate it into today's dental practice. Photography is the most valuable tool you have to help your patients choose what you know is in their long-term best interests. It allows them to see their mouths in ways in which they have never seen themselves. For the fullest learning experience, take the limited space hands-on workshop that offers. Cameras provided courtesy of Photomed International.

Lecture Objectives:

- Selecting the right digital camera
- Settings for the best images
- Software to manage clinical images
- Views of clinical photography to help with patient education
- Using clinical photography for laboratory communication

WORKSHOP BUILDING A GOOD FOUNDATION: SOCKET AUGMENTATION AND BONE GRAFTING

Monish Bhola, DDS, MSD

8:00-11:00 a.m.

6 credit hours

Workshop fee: \$300

Course number: 202 Co-sponsored by **Zimmer Dental** and **Hu-Friedy**

Recommended for dentists

This course acquaints the dentist with basic surgical procedures, including atraumatic tooth extraction techniques, socket augmentation procedures, site augmentation, and guided bone regeneration. Participants perform a

site augmentation and guided bone regeneration procedure using bone graft materials and barriers. Correct flap management and suturing techniques are discussed. Surgical instruments and disposable gowns will be provided for use during the course. Participants should bring protective eyewear and wear comfortable clothing.

Workshop Objectives:

- GBR techniques for implant site development
- Suturing techniques
- Post-operative protocol and management of complications

This speaker has a significant interest in products or services discussed in this workshop.

CE EXPRESS: DRINKS DESTROY TEETH

Diane Buyer, DDS

8:00-9:00 a.m.

1 credit hour

Course number: 203

Recommended for the entire dental team

Drinks Destroy Teeth introduces the 2015 Drinks Destroy Teeth App, the first educational app by a dental association. The interactive app features videos of acid and sugar, and an interactive 3D mouth, demonstrating, acid erosion, cupping, plaque, and decay. Bring your interactive tablet or iPad to download the new Drinks Destroy Teeth App and use it in the dental office.

Lecture Objectives:

- Basic Erosive Wear Examination classification tooth erosion
- Document acid's effect on your patients' dentition
- Educate patients on the effects of soft drinks, sport drinks and energy drinks

PERIODONTICS UPDATE: COLLABORATIVE CARE FOR OPTIMAL PATIENT OUTCOMES

Pam McClain, DDS

9:00-11:00 a.m.

2 credit hours

Course number: 204

Recommended for dentists, hygienists

Periodontal disease continues to be a major health concern in adults. Fortunately, we have more treatment options available today than ever before. One of the challenges we face is deciding which therapeutic modality will be most effective. This program reviews the importance of proper diagnosis, risk assessment, and identification of endpoints of therapy in establishing a treatment plan for patients with periodontal disease. This course presents various treatment modalities, including nonsurgical care, surgical care and long-term maintenance.

Lecture Objectives:

- Characteristics of a comprehensive periodontal examination
- Major risk factors associated with periodontal disease
- Benefits of both nonsurgical and surgical therapies
- Factors that facilitate maintenance

FRIDAY, JUNE 12, 2015

CE EXPRESS: DIGITAL DNA: CLOUD COMPUTING IN DENTISTRY

Bryan Currier

9:30-10:30 a.m.

1 credit hour

Course number: 205 **Co-sponsored by Advantage Technologies**
Recommended for the entire dental team

This course surveys how to enhance IT system reliability, reduce costs, and increase profitability within your practice, with special attention workflow and technical considerations, and integration challenges. Bring your iPad, tablet or smartphone for this interactive presentation.

Lecture Objectives:

- Implement and integrate a constructed plan for your practice
- Manage technologies in your office
- Enhance workflow, patient care and business management

KEEPING THE FLAME ALIVE

Tina Calloway, CDA

10:00 a.m.-Noon

2 credit hours

Course number: 206

Recommended for the entire dental team

The dental assistant is one of the greatest assets in today's field of dentistry. Assisting no longer is limited to "sitting idly by with the suction in hand." Today's assistant needs leadership, knowledge in dental science, and exceptional communication skills.

Lecture Objectives:

- Recognize and adapt to different leadership styles
- Identify career opportunities for the clinical assistant
- Demonstrate characteristics to become a key asset to your dental practice

CE EXPRESS: PRESSED CERAMICS IN DENTURE CONSTRUCTION

William Risk, DDS

11:00 a.m.-Noon

1 credit hour

Course number: 207

Recommended for dentists

How to do the esthetic predictable immediate dentures and the use of pressed ceramic material in denture occlusion.

Lecture Objectives:

- Natural esthetic appearance
- Maintaining the occlusion
- Occlusion relationships with opposing natural teeth over time

WORKSHOP DIGITAL DENTAL PHOTOGRAPHY: TECHNIQUES FOR MAKING IT EASY

Steve Ratcliff, DDS, MS

Noon-3:00 p.m.

6 credit hours

Workshop fee: \$250

Course number: 208

Recommended for the entire dental team

Lecture (course 201) is a prerequisite for this workshop. Learn how to incorporate digital photography into today's dental practice. Photography is the most valuable tool to help your patients choose what you know is in their long-term best interests. It allows them to see their mouths in ways in which they never have seen themselves. Cameras provided courtesy of Photomed International.

Lecture Objectives:

- Learning to use a digital SLR camera
- Settings for the best images
- Hands-on clinical practice with cameras, mirrors, retractors
- 6 images that will make presenting cases much easier
- 18 images for complete treatment planning

PRESERVING PERIODONTICALLY COMPROMISED TEETH

Pam McClain, DDS

Noon-2:00 p.m.

2 credit hours

Course number: 209

Recommended for dentists, hygienists

Dental implants expand treatment options, but retention of natural dentition remains an ideal goal. Individual regenerative therapies succeed with specific intrabony defects, but combination therapies succeed in more complex lesions. Combination therapies enhance advantages and minimize limitations of individual regenerative therapies, preserving aesthetics, function, and health in some cases. This course addresses preservation of natural dentition through various treatment approaches.

Lecture Objectives:

- Role of regenerative therapy in the management of various osseous defects
- Treatment options that enhance preservation of the natural dentition
- Periodontal maintenance in long term management

FRIDAY, JUNE 12, 2015

IDA/IDAA JOINT CE/CE EXPRESS: MANAGING PATIENTS BEFORE, DURING, AND AFTER CANCER THERAPY

Steve Schimmele, DDS

12:30-1:30 p.m.

1 credit hour

Course number: 210

Co-sponsored by the Indiana Dental Assistants' Association

Recommended for dentists

This interactive course highlights dentistry's most-salient topics related to cancer care, including diagnosing and treating oral cancer, and maintaining the oral cavity after treatment. Gain a broad understanding of cancer patients' needs and the potential risks of treating them.

Lecture Objectives:

- Diagnosis: oral examination, diagnosis techniques, delivering the news
- Treatment: surgery, radiation, chemotherapy, hospice care
- Post treatment do's and don'ts

LOCAL ANESTHETICS: DENTISTRY'S MOST IMPORTANT DRUGS

Stanley Malamed, DDS

12:30-2:30 p.m.

2 credit hours

Course number: 211

Recommended for dentists, hygienists

Local anesthesia forms the backbone of pain control techniques in contemporary dentistry. Important research has developed new drugs: local anesthetics such as articaine, and drugs to reverse soft tissue anesthesia, such as phentolamine mesylate; buffered local anesthetics that speed onset, increase injection comfort, and produce more profound anesthesia; and nasal local anesthetic mist for needle-less maxillary anesthesia. This course covers these and other areas of research into improved pain control.

Lecture Objectives:

- Clinical characteristics of current local anesthetic formulations
- Mechanism of action of phentolamine mesylate, the local anesthesia reversal agent
- Mechanism of action of buffering local anesthetics
- Mechanism of action and efficacy of the intranasal local anesthetic mist

SHOW ME THE MONEY IN BLACK, WHITE, AND GREEN

Tina Calloway, CDA

1:00-3:00 p.m.

2 credit hours

Course number: 212

Recommended for the entire dental team

Motivating patients to agree to treatment plans takes talent, technique, and thoughtful preparation. Are you gaining the full financial benefit for your practice (and yourself), even with excellent communication, leadership, and committed patient education about long-term oral health benefits?

Lecture Objectives:

- Maximize productivity

- Motivate a patient to take ownership in their treatment plan
- Achieve success, satisfaction and financial stability

MUSCULOSKELETAL HEALTH FOR DENTAL WORKERS

Constance McCloy, EdD, PT

1:00-3:00 p.m.

2 credit hours

Course number: 213

Recommended for the entire dental team

Musculoskeletal disorders (MSDs) of the spine and upper extremities are common in all dental workers. This course identifies contributing factors for these injuries, and focuses on the postures, positions, activities, and movements that help prevent MSDs. Demonstrations and attendee participation in movement activities are included.

Lecture Objectives:

- Prevalence and factors of MSDs encountered by dental workers
- Curves, postures, and movements of the spine and upper extremities in dentistry
- Activities that support physical health and reduce stress
- Postures and movements/exercise that prevent MSDs, leading to a "happy body"

CE EXPRESS: TRENDS IN DENTAL EDUCATION AND PRACTICE

John Williams, DDS

2:00-3:00 p.m.

1 credit hour

Course number: 214

Recommended for the entire dental team

Information from national and state sources tells us much about past and current trends in dental education and practice. Accreditation standards, curriculum changes, and new technologies are stimulating a quiet evolution in the dental profession. The only constant is change, and those who understand the past are better informed to plan for the future. Join Dr. John N. Williams, dean of Indiana University School of Dentistry, for an information-rich session looking at previous information on dental education and practice that is of significance to dentistry's evolving future.

Lecture Objectives:

- Understand past and current enrollment trends and demographic changes in US dental education
- Understand the financial dynamics facing dental education, practice, and access to care
- Become familiar with accreditation standards, curriculum changes, and new technologies already in place within dental education
- Base assumptions about dentistry's future on evidence from past and current trends

Monish Bhola, DDS, MSD

A Diplomate of the American Board of Periodontology, Dr. Bhola earned his DDS from the University of Detroit Mercy School of Dentistry and his MSD in Periodontics and Implantology from IUSD. His interests include dental implants, oral plastic surgery, and advanced bone and soft tissue grafting for teeth and implants. He developed the LipStat procedure for correcting a gummy smile.

109 Socket augmentation/bone grafting
THU 1:00-4:00 p.m.

202 WORKSHOP
Socket augmentation/bone grafting
FRI 8:00-11:00 a.m.

Diane Buyer, DDS

A third-generation Indiana dentist, Dr. Buyer graduated from Indiana University and earned her DDS from IUSD. She is an active member of the Indianapolis District Dental Society, IDA, ADA, and the American Association of Women Dentists, and is a Fellow and Editor of the American College of Dentists. She teaches operative dentistry and maintains a private practice in Indianapolis.

203 Drinks Destroy Teeth
FRI 8:00-9:00 a.m.

Tina Calloway, CDA

Ms. Calloway is a member of the the American Academy of Cosmetic Dentistry's Team Advisory Council, and both writes and serves on the advisory boards for *Dental Assisting Digest* and *In-side Dental Assisting* magazines. A US Navy veteran and 15-year full-time dental assistant, she served as president of the Piedmont (NC) Dental Assistant Society, and is a clinical assisting coach. She also is an award-winning graduate of the Dale Carnegie organization, and a member of the Speaking Consulting Network featured at many dental association meetings.

206 Keeping the flame alive
FRI 10:00 a.m.-NOON

212 Show me the money
FRI 1:00-3:00 p.m.

Gordon Christensen, DDS, MSD, PhD

Gordon J. Christensen is Founder and Director of Practical Clinical Courses (PCC) and Senior Consultant for Clinicians Report in Utah. He has presented more than 45,000 hours of continuing education throughout the world and published many articles and books. Along with honorary doctorates, his degrees include DDS, University of Southern California; MSD, University of Washington; and PhD, University of Denver. Dr. Christensen is a practicing prosthodontist in Provo, UT.

100 Christensen Bottom Line, Pt. 1
THU 8:00-10:30 a.m.

106 Christensen Bottom Line, Pt. 2
THU NOON-2:00 p.m.

Bryan Currier

As President of Advantage Technologies, Mr. Currier, along with his team, has helped more than 1,000 practices integrate computers and digital technology. He has served on the Microsoft Partner Advisory Council, and published articles in the *Doctor of Dentistry* magazine and *The Journal of American Association of Oral and Maxillofacial Surgeons*. Mr. Currier holds a baccalaureate in business leadership, as well as various dental and technological certifications.

205 Cloud computing in dentistry
FRI 9:30-10:30 a.m.

Mark Hakim, MA, MBA, CPHRM

Mr. Hakim is a Director of Risk Resource for ProAssurance. He obtained a master's degree in exercise physiology from Michigan State University and an MBA from University of Detroit Mercy. He has an extensive background in exercise physiology and, and has managed occupational and employee health programs.

104 In defense of dentistry
THU 10:00 a.m.-NOON

Stanley Malamed, DDS

Dr. Malamed joined the faculty of the Herman Ostrow School of Dentistry of U.S.C. in 1973, where today he is Professor of Anesthesia & Medicine. He graduated from the New York University College of Dentistry, completing his dental internship and residency in anesthesiology at Montefiore Hospital and Medical Center in the Bronx, New York, before serving for two years in the U.S. Army Dental Corps at Ft. Knox, KY. Dr. Malamed is a Diplomate of the American Dental Board of Anesthesiology, as well as a recipient of the Heidebrink Award from the American Dental Society of Anesthesiology and the Horace Wells Award from the International Federation of Dental Anesthesia Societies (IFDAS). He has written more than 140 scientific papers and 17 chapters in various medical and dental journals and textbooks in the areas of physical evaluation, emergency medicine, local anesthesia, sedation, and general anesthesia.

200 Drugs, death, and dentistry
FRI 8:00-10:00 a.m.

211 Local anesthetics
FRI 12:30-2:30 p.m.

Pam McClain, DDS

Dr. McClain is a periodontist in the Denver metro area, highly respected for her vast contributions to periodontal research and her cutting-edge level of care. Licensed in Colorado and California, she is board certified as a Diplomate of the American Board of Periodontology. She actively collaborates with family dentists and other dental specialists, and lectures on a variety of topics at interdisciplinary dental meetings and conferences. Dr. McClain is known internationally for her work in periodontal regeneration.

204 Periodontics update
9:00-11:00 a.m.

209 Periodontically compromised teeth
FRI NOON-2:00 p.m.

Constance McCloy, EdD, PT

Dr. McCloy has been a physical therapist and academician for more than 35 years. She has worked in a variety of clinical settings and held administrative/faculty positions in the Physical Therapist and Gerontology programs at Indiana University and the University of Indianapolis. Dr. McCloy is the owner of Hope Health Promotion LLC, a private practice focused on enhancing fitness, strength, and mobility in adults and older adults.

213 Musculoskeletal health
FRI 1:00-3:00 p.m.

Thad Miller

Founder of ddsmatch, Mr. Miller has 18 years' dental industry leadership experience. Over the years he saw firsthand the difficulty dentists had when it came time to buy and sell a practice or find a partner for the practice. His circles of influence span across the United States and include practicing dentists, dental schools, manufacturers, and suppliers. He is an active Board Member of the Dental Lifeline Network and is on the Board of Directors of the Indiana Golf Foundation and The First Tee of Central Indiana. He is a 1994 graduate of Indiana University.

105 Preparing for practice transition
THU 11:00 a.m.-NOON

Chris Morris

Mr. Morris is the owner and laboratory manager of ADL dental laboratory in Louisville, KY. His area of expertise has been in treatment planning, the use of multiple implants to restore the edentulous arch, and immediate load temporization with fixed hybrids. He belongs to the CAL lab group, the DTI network of laboratories, two Spear study clubs, and numerous implant and restorative local study clubs.

108 All-on-4 myths and techniques
THU 12:30-1:30 p.m.

Steve Ratcliff, DDS, MS

Dr. Ratcliff is the Executive VP of Research and Development at Spear Education in Scottsdale, AZ, where he practices dentistry in the faculty practice and helps specialists and their restorative colleagues embrace the gifts and challenges of interdisciplinary care. He has practiced general dentistry for 33 years. For the last 20 years, he has focused his work on comprehensive adult restorative care. Dr. Ratcliff lectures internationally on interdisciplinary care, aesthetic, implant, and restorative dentistry, and is well known for his workshops on the philosophy of patient engagement and dental practice.

201 Digital dental photography
FRI 8:00-11:00 a.m.

208 WORKSHOP
Digital dental photography
FRI NOON-3:00 p.m.

William Risk, DDS

Dr. Risk has been active in organized dentistry for many years. He is a past president of the Indiana Dental Association. His column appears in *Journal Indiana Dental Association*, including his publication "Immediate Dentures." He has a longtime interest in removable prosthodontics. Dr. Risk's presentations have included "Innovative Denture Construction" at the Midwest Spring Technical Meeting.

207 Pressed ceramics
FRI 11:00 a.m.-NOON

Rhonda Savage, DDS

Dr. Savage is an internationally known author and lecturer, and CEO of Miles Global, an international dental training and consulting firm. She lectures and publishes on women's health issues, leadership, and business management. A former dental assistant and front office staff member for 14 years, and a dentist in private practice for over 17 years, she understands the dynamics of dental-team success.

102 Your fantastic dental team
THU 8:30-10:30 a.m.

107 The Savage Front Desk
THU 12:30-2:30 p.m.

Steve Schimmele, DDS

An IUSD graduate, Dr. Schimmele completed his residency at the University of Cincinnati, and joined Oral & Maxillofacial Surgery Associates in 2001. His fellowship at the University of Miami concentrated on the treatment of benign and malignant tumors, side effects of radiation and chemotherapy, and major reconstructive procedures. Dr. Schimmele is a Diplomate of the American Board of Oral & Maxillofacial Surgery, and a member of the ADA, American Association of Oral & Maxillofacial Surgery, American Dental Society of Anesthesiology, among other professional societies. He uses computer simulation to train professionals to treat anesthesia emergencies.

210 Cancer therapy
FRI 12:30-1:30 p.m.

Claire Williams

A Registered Teacher of Hatha and Vinyasa Yoga, Mrs. Williams also is office manager and wife of dentist Robert Williams.

110 Chair yoga
THU 2:00-3:00 p.m.

John Williams, DDS

Dr. Williams has served as dean at Indiana University School of Dentistry since June 2010. He spent more than 20 years in previous senior academic leadership positions and served as a dental dean at two previous institutions. He recently completed a four year term as a Commissioner to the US Commission on Dental Accreditation, and has served two separate terms as national vice-president for deans of the American Dental Education Association Board of Directors. He maintains a keen interest in dental education policy, workforce, technology, and practice. He received his DMD and MBA degrees from the University of Louisville. In addition to 29 years in dental education, he practiced general dentistry from 1980-1986.

K	GUEST , Adult	Exhibit Hall, free events	\$45

IMPORTANT DATES & DEADLINES

MID APRIL: Mailing of badges and registration materials to advance registrants begins.

ADVANCE REGISTRATION DEADLINE

Friday, May 29, 2015 at 9:00 a.m.: Registration fees and CE course fees rise after this date. Deadline to submit registration cancellations and refund requests.

REFUND POLICY: Changes to registrations or ticket purchases may be made prior to Friday, May 29 with no penalty. Starting Friday, May 29 at 9:00 a.m., or on site during the Annual Session, you may apply the full purchase price to other available ticket purchases. No refund will be given after 9:00 a.m. on Friday, May 29.

BADGES/REGISTRATION MATERIALS

If you register before **Friday, May 29, 2015**, we will mail your badge and tickets to the address you provide. Each registrant (including friends, family, and children through age 18) receives a separate envelope with a badge, tickets, and Exhibit Hall discounts and specials.

Starting Friday, May 29, registrations will be processed at increased fees. You will receive confirmation, but must pick up your badge and other materials on-site. Registration materials will be available at the on-site registration desk on Level 2 of the French Lick Springs Hotel conference center.

FREQUENTLY ASKED QUESTIONS

IS THERE AN ADVANTAGE TO REGISTERING ONLINE? Yes! Visit www.INDental.org/Register to register your entire team. When you register online, you can secure an immediate spot in any available course. You also receive immediate confirmation via e-mail.

DO I NEED TO REGISTER FOR THE FREE EVENTS? Yes! All events will require a ticket for admission. Because of limited availability, tickets should be reserved in advance.

WHEN WILL I RECEIVE MY BADGES? You will receive advance registration materials at least two weeks before the meeting. (Note: Attendee packet mailings will begin on **April 8, 2015**.) This includes registrations completed via Internet, fax or mail.

HOW DO I CORRECT A MISPELLED BADGE? Fax a copy of the badge to **317.634.2612** with the correction by **May 29, 2015**. You also can go to the on-site registration desk at the French Lick Springs Hotel during registration hours.

WHAT IF I LOSE MY TICKET TO AN EVENT? E-mail Heather@INDental.org by **May 29, 2015**, or visit the on-site registration desk at the French Lick Springs Hotel during registration hours for a replacement ticket.

WHAT IF I HAVE QUESTIONS OR CONCERNS ABOUT REGISTRATION? Call the IDA at **800.562.5646** or e-mail Heather@INDental.org.

ARE CHILDREN ALLOWED IN THE EXHIBIT HALL AND LECTURES? For the safety and convenience of all attendees, children 10 years old or younger will be permitted in the Exhibit Hall only from the time it opens until 11:00 a.m.

CE ETIQUETTE

PLAN AHEAD. Arrive at least 15 minutes before CE courses begin. Doors close when the lecture starts. **Late arrivals aren't admitted.**

WRITE DOWN COURSE CODES. During each course, the host provides a course code to record on your CE tracking sheet. **The IDA does not report your CE to the Indiana State Board of Dentistry.**

REGISTRATION FORM

IDA ANNUAL SESSION & IUSD ALUMNI DENTAL CONFERENCE

Registration is required for entrance into all CE courses, social events, Exhibit Hall, alumni events, and the IDA House of Delegates. Please list below the names of all staff attending the Annual Session. For larger staffs, duplicate this form before filling it out and list names accordingly.

The preregistration deadline is **Friday, May 29, 2015.**

Registrations are accepted at <www.INDental.org/register>

OR Mail to: Indiana Dental Association, 1319 East Stop 10 Road, Indianapolis, IN 46227.

OR fax to the IDA Central Office, 317.634.2612
